Title: District Focal Point (DFP)
Location: Kabul
Duration: 5 Months with possibility extension
Vacancy No SVN-KBL-009/18
Grade: As per organization salary scale
No. Position: 1
Gender: (Female Only)
Contract Type: Out-Sourced through private sector
Date: 09 January 2018
Closing Date 15 January 2018

Background:

The International Organization for Migration in Afghanistan implements multi-donor projects or programmes that deploy data management initiatives to support its operational processes towards the provision of humanitarian assistance and capacity building of Afghan government and ministries.

The Displacement Tracking Matrix (DTM) is IOM's information management system to track and monitor population displacement during crises, the DTM is composed of a variety of tools and processes. The objective of the Three months DTM activity in Afghanistan is to collect structured data through two rounds of a two-layered assessment (B1 and B2) to obtain in-depth information on population categories, mobility (incl. directions), reasons for mobility and immediate needs.

The District Focal Points (DFP) would be under the direct supervision of the Provincial Team Leader, the DFP will be responsible of the following activities, according to the procedures and training provided by IOM:

Duties and Responsibilities:

1. Identify reliable sources of information/key informants (KI) to collect relevant, correct and realistic data of the population in the targeted area;
2. After completing the required training, conduct DTM survey, in a designated geographical area, according to the weekly or monthly plan led by the DTM Provincial Team Leader
3. Assess the situation in collective centers and other IDPs locations through direct observation and triangulate the information to facilitate its analysis;

4. Ensure of the quality of the information collected by systematically verify and correct the questionnaire/form at the end of the interview/registration;
5. Share all the surveys with the Data Entry Clerk assigned by the Province Team Leader and make sure the delivery, and to follow up on any inputs shared by the Data processing Assistant, Correct the surveys based on the Coordinator's feedback in line with the information received from KI and send back to Data processing Assistant again.
6. Liaise and build a good relationship with different data's sources, in his/her designated geographical area, including but not limited to various humanitarian partners NGOs, governmental partners, displaced and host communities in the field.
7. Inform the Team Leader on the sudden population movement and any incidents which may affect the population existing in his geographical area of responsibility;
8. Supervise and provide needed support to all enumerators under his/her area of responsibility.
9. Report on daily basis on the activities conducted and the realities/issues encountered to the province Team Leader and make relevant recommendations;
10. Send all the Financial and administrative related documents on time
11. Respect and follow IOM's Data Protection Principles;
12. Perform other duties as they might be assigned.
