Request for Expression of Interest

In Afghanistan, IOM has been present since 1992, and works in close partnership with national and local government institutions, non-governmental agencies, community organizations and the donor community to address pressing and complex challenges in migration management, to respond to the needs created by humanitarian emergencies in the country and to ensure improved living conditions for vulnerable communities.

IOM Afghanistan, with financial support of the European Union, developed the Reintegration and Development Assistance in Afghanistan (RADA) project to support sustainable reintegration of returnees within their communities of return. RADA is implemented in eight provinces of high return (Baghlan, Balkh, Herat, Kabul, Kandahar, Kunar, Laghman and Nangarhar) with an integrated approach to the economic, social and psychosocial aspects of reintegration at both the individual and community levels.

Within the RADA project, activities to foster economic reintegration at the community level focus on strengthening livelihoods opportunities, increasing productivity and fostering local economic development in line with local and provincial plans and priorities. It is in the context of its activities at the community level, particularly the construction of basic and productive infrastructure, that IOM now invites eligible parties to submit their Expression of Interest (EoI) for the provision of construction services

This document contains instructions on the preparation and submission of the Application including Annex A: Bidder's Information.
