IOM reserves the right to conduct negotiations with the bidder recommended for the award on the content of their bid.</p>
47. Right to vary requirement at time of award	<p>At the time the Contract is awarded, IOM reserves the right to increase or decrease the quantity of goods, works and/or services originally specified in Section 5: Schedule of Requirements, provided this does not exceed the percentages specified in Section 3 Data Sheet, and without any change in the unit prices or other terms and conditions of the bid and the bidding document.</p>

51. Bank guarantee for advance payment	<p>Except when the interests of IOM so require, it is IOM's standard practice not to make advance payment(s) (i.e., payments without having received any outputs).
